

Cut the shapes out and use them to act out the song, or play a guessing game by hiding the worm under an apple and asking your child to guess which apple he is under.

### Five Red Apples Hanging in a Tree

Five red apples hanging in a tree,  
Teasing Mr. Slinky Worm you can't catch me.  
Along comes Mr. Slinky Worm quiet as can be.  
And he snatched an apple right out of that tree,  
Four red apples hanging in a tree,  
Teasing Mr. Slinky Worm you can't catch me.  
Along comes Mr. Slinky Worm quiet as can be.  
And he snatched an apple right out of that tree,  
Three red apples hanging in a tree,  
Teasing Mr. Slinky Worm you can't catch me.  
Along comes Mr. Slinky Worm quiet as can be.  
And he snatched an apple right out of that tree,  
Two red apples hanging in a tree,  
Teasing Mr. Slinky Worm you can't catch me.  
Along comes Mr. Slinky Worm quiet as can be.  
And he snatched an apple right out of that tree,  
One red apples hanging in a tree,  
Teasing Mr. Slinky Worm you can't catch me.  
Along comes Mr. Slinky Worm quiet as can be.  
And he snatched an apple right out of that tree,  
No more apples hanging in a tree!
